Chapter 3 by PuppyLover

Ever since we started, we haven't taken a look at the clock, that's why we've been stumbling, just look at the time, look at the time, we are running out. You know love wasn't always like this there was time and that can never be missed and that's a sign that we are running out of time, just look at your watch you better run, cuz we're running out of time, the clock is ticking by, oh-oh time.
